Final Touch Photography
ultimate goal for your wedding day is to capture the real love you two share for each other in the most authentic and genuine way possible. Since their picture style is candidly blended with some poses, the name of the game is for you to just be yourself.

Betta Focus Photography
captures the day from both the bride and groom's perspective in a way that is both fun and efficient to ensure not only that you will have photos to cherish forever, but also allowing you to enjoy the experience of your big day as it is happening.

Leslie is a lively, spontaneous, and compassionate soul that is the owner and creator of Leslie Shannon Photography. Timeless colors, rich contrast, and natural light embodies Leslie's personal style as a photographer. For more information, click [here](#).

James Scarboro Photography
is saving memories through the art of photography for generations to come. Specializing in capturing the genuine love in weddings, as well as creating classic family and engagement portraits. Also known for his amazing music wedding slideshows that will move you!
